President's Report

It is with great pleasure that I present the 2024 President's report.

One of the highlights of the year was securing a new home for our Playgroup at Kuri in St Asaph St after the sudden and unexpected closure of Pet Central. This venue has become the heart of our social activities and fundraising efforts, providing a space for our Chihuahuas to play and for our members to bond.

Our club has also seen success in various events, including open shows, champ shows, and ribbon parades, all of which were met with enthusiasm from both participants and spectators. These events not only showcase our wonderful breed but also contribute to the vibrant spirit of our community.

I would like to extend my heartfelt gratitude to our dedicated committee members for their exceptional contributions throughout the year. In particular, I want to thank our playgroup supervisors and especially our secretary, Jenny Ryan, for her diligent work in drafting our new Constitution, which was necessary to comply with the new legislation that requires all incorporated bodies in NZ to re-incorporate with a revised constitution that must meet some very complex requirements under the Act.

It is through her expertise and tireless efforts that we have been able to navigate this process smoothly, with many other clubs adopting our draft as a model for their own.

As we look ahead, we have exciting plans for our 60th anniversary show later this year and a lineup of engaging activities on the horizon.

None of this would be possible without the unwavering support and active participation of our members, who truly make our club exceptional.

I want to express my deepest appreciation to my exceptional committee and to each and every one of our members for their dedication, passion, and commitment to making the Dominion Chihuahua Club the thriving and vibrant community that it is.

Treasurer's Report – Dominion Chihuahua Club

I am pleased to present the audited Treasurer's report for the past year, detailing the financial performance of our club. While we have faced some challenges, we have also made strategic investments to ensure the long-term sustainability and success of our organisation.

It is important to note that this year we are ending with less money than in previous years. There are a couple of contributing factors to this decrease. Firstly, we experienced a temporary loss of income due to the closure of Pet Central, which resulted in several weeks when our Playgroup was unable to operate. Secondly, we made a conscious decision to invest in more toy prizes and ribbons for our ribbon parades. While this did impact our bottom line in the short term, it means that we will not need to make similar purchases for many years to come, ultimately saving us money in the long run.

Despite these challenges, our main fundraising activity, Playgroup, remains a cornerstone of our financial stability. We continue to rely on the support and participation of our members to make Playgroup a success.

On the expenditure side, our Championship Shows remain our main expense. Unfortunately, these shows are not as well supported by non-member exhibitors from either the South or the North Island as we would like. However, our Ribbon Parades and Fun Days continue to draw excellent numbers, demonstrating their popularity among both members and non-members alike.

While we may have faced some financial setbacks this year, I am confident that the strategic decisions we have made will position us well for the future. I want to thank all our members for their continued support and dedication to the Dominion Chihuahua Club.

Thank you,

Debra Barltrop

Treasurer
