President's Report

Welcome everyone to this year's Annual General Meeting. Once again, it is an absolute privilege have been your President and reflect on what has been a truly remarkable and rewarding year for the Dominion Chihuahua Club.

Our little club is going from strength to strength. We are continuing to grow in numbers, but more importantly, we are growing in heart. One of my proudest achievements has been how beautifully we've embraced our pet members. Our playgroup has become an absolute cornerstone of the club, creating a wonderful, supportive community for local Chihuahua owners and club members. I am thrilled to report that the playgroup has just had its most profitable year yet! These funds go directly back into supporting events for the breed we all love so much, and it is incredibly heartening to see our pet and show people blending so seamlessly.

An organization like ours doesn't just run on enthusiasm; it takes a lot of work behind the scenes. First, I want to extend a massive thank you to our patrons, Jamie and Hayley L'Huillier of Kuri. Your ongoing support means the world to us, and we are so incredibly grateful for your dedication to our club.

To my amazing committee—thank you. You are the engine room of this club, and your passion and volunteering to run playgroup each week does not go unnoticed. This year, we are saying farewell to departing committee members Casey and Alex Coker-Walters. Casey and Alex, thank you for everything you've given to the club. We wish you both the absolute best with your ongoing work with the Chihuahua Rescue Trust, and we know our paths will continue to cross. With these departures, we are looking forward to the future and hope to welcome some fantastic new faces onto the committee this year to help guide our next chapter.

I have a couple of personal thank-yous that I must make. To our Vice President, Katie O'Neill—thank you so much for all your tireless work, especially for taking care of printing our certificates and ribbon centres and always being there to lean on. Our treasurer, Debra Balrtrop, and her granddaughters, Paige and Shelby, without whom we would be drawing straws over who has to get up at 5 am to man the gate at CKA. And of course, to our incredible Secretary, Jenny Ryan. Jenny, you are the absolute glue that keeps this entire operation together, keeping us organised, on track, and running smoothly. I quite simply couldn't do this without you.

Thank you to every single member, whether you are in the show ring, attending playgroup, or supporting us from afar. Your love for this magnificent breed is what makes this club so special. Here's to another wonderful year ahead!

Treasurer's Report – Dominion Chihuahua Club

Treasurer's Report – Dominion Chihuahua Club AGM

Welcome everyone to this year's AGM. I am pleased to present the financial report for the past financial year, which has been an incredibly positive and stable one for the Dominion Chihuahua Club.

Thanks to the hard work of our committee and the wonderful support of our members, we have reached some fantastic milestones. The highlight of this year's accounts is that we have officially hit over **\$3,000 in our savings account**. Along with this healthy buffer, I am thrilled to report that we achieved a **net profit of almost \$1,000** for the year. This puts the club in a very secure financial position moving forward.

Our fundraising efforts have played a huge part in this success. In particular, managing the gate at the Canterbury Kennel Association (CKA) events has proved to be a highly profitable and relatively easy way for us to bring in extra funds. A massive thank you to my granddaughters who helped out with the gate duties, (despite the early morning start)—it is straightforward work that makes a difference to our bottom line.

Looking ahead to the future, we are also working hard to modernize how the club handles finances. We have officially established a **Stripe account**, which is already making life much easier. Members can now pay digitally and securely via credit or debit card while on-site at our playgroups, removing the hassle of dealing with cash.

Even better, we are integrating Stripe into our annual renewals. Next year, when the invoices go out for our Annual Memberships, members will be able to pay them directly and instantly via a secure payment link embedded right in the email. We hope this makes supporting the club smoother and more convenient for everyone.

I want to thank the committee and our members for making my job so rewarding this year. Our books are healthy, our processes are getting smarter, and the club is in great shape for the year ahead.
