President's Report

It is with great pleasure that I present the 2025 President's Report for the Dominion Chihuahua Club.

I would like to start by extending our sincere gratitude to Jamie and Hayley L'Huillier, the owners of Kuri, for their ongoing support. Their generosity has been instrumental in providing a central hub for our social and fundraising activities, and their wonderful venue continues to support both our playgroup and our member engagement.

Our club has also achieved success across a range of events in the past year, including our January Open Show, our Championship show, and our Christmas in July Ribbon Parade all of which have been well-attended by our members and spectators alike. These events are vital in promoting our breed and fostering a strong sense of community.

I extend my sincere gratitude to our dedicated committee members for their invaluable contributions throughout the year. I would like to particularly acknowledge our playgroup supervisors and our secretary, Jenny Ryan (the club would be lost without her tireless efforts). I would also like to thank retiring committee members Nick Nicholson and Haley Anderson for their contribution.

Looking ahead, we are excited about our Championship Show to be held in conjunction with the National Dog Show in September, Our Easter Open Show and our fun days and Ribbon Parades planned for the future.

These achievements and future plans are made possible by the unwavering support and active participation of our members, whose involvement is the cornerstone of our club's success.

I want to express my deepest appreciation to my fellow committee members and to each and every one of our members for their continued commitment to the Dominion Chihuahua Club. It is their ongoing involvement that makes our community so vibrant and exceptional.

Treasurer's Report – Dominion Chihuahua Club

I am pleased to present the audited Treasurer's report for the past year, detailing the financial performance of our club. While we have faced some challenges, we have also made strategic investments to ensure the long-term sustainability and success of our organisation.

We end the year in a much better position financially than we did last year.

Our main fundraising activity, Playgroup, remains a cornerstone of our financial stability. We continue to rely on the support and participation of our members to make Playgroup a success.

On the expenditure side, our Championship Shows remain our main expense. Unfortunately, these shows are not as well supported by non-member exhibitors from either the South or the North Island as we would like. However, our Ribbon Parades and Fun Days continue to draw excellent numbers, demonstrating their popularity among both members and non-members alike.

We have a number of events planned this year and have been approved by CKA for a major fundraising activity in September that will have a significant impact on our finances. I want to thank all our members for their continued support and dedication to the Dominion Chihuahua Club.

Thank you,

Debra Barltrop
